

Rozanah, a contemporary Lebanese restaurant with authentic flavour, is launched at Yas Marina

Abu Dhabi, 24 September 2013- Rozanah, a new Lebanese dining experience restaurant, is set to wow guests with time-honoured hospitality, highest quality ingredients and serene ambience. Opening under the hypnotic view of the Yas Hotel and ideally placed next to the super yachts at Yas Marina, Rozanah will have a soft opening from October 10th, 2013.

Designed for the discerning diner, Rozanah's authentic menu of Lebanese and Middle Eastern cuisine goes far beyond traditional fare. Determined to impress the sophisticated palate of the Abu Dhabi market, the award-winning team of chefs prepare only superior fresh ingredients to guarantee the highest quality of their classic salads (taboulleh, fatoush, bakleh), mezzah (moutable, homemade pumpkin kibbe, mixed Fatayar) and succulent grills (lobster, prawns, lamb). With added flair, there is a live pastry station, where culinary artists energetically toss Saj and twist and create a variety of other delicious regional delicacies such as baklava and kunafa to the delight of diners.

Set in a fabulously elegant surrounding, the restaurant uses muted bronzes and metallic accents to add a distinctly modern twist and create an inviting atmosphere for all the family. As temperatures cool, the large terrace provides a stunning view of one of the most recognisable buildings in the world, the Yas Hotel, which arcs over Abu Dhabi Grand Prix Yas Marina circuit. Customers can bask in its glow as they dine al fresco and then enjoy another firm favourite: Shisha.

A.M Simreen, Managing Partner, Royal Catering commented: "As a leading hospitality service provider in the region, we are delighted to introduce Rozanah to Yas Marina. We look forward to creating a one-of-a-kind dining experience and invite food lovers from across the UAE to come and taste our exquisite dishes and experience them in sumptuous elegance."

Rozanah will be running daily promotions such as lunch and dinner specials, chocolate fountains and face painting for the children at the weekends. Following the soft launch, there will be a grand opening in November 2013.

This is the fourth venue to be created and managed by Creations at Royal Catering, one of the region's leading hospitality providers. Creations at Royal Catering's other market leading outlets in Abu Dhabi are: 82L8, Rosina Bellina and Nova Café, Café D'Alsace and others in the upcoming future.
